

## '500' Race Tomorrow

THEY'RE OFF—Eighteen teams vie in the third annual "Little 500" Bicycle Race tomorrow at the south campus track at 12:30 p.m. The 200-lap spectacle is sponsored by Allen Hall. Pictured is senior Kirk Patterson, anchor man on last year's first place team, Sigma Alpha Epsilon.

## Showers Threaten 'Little 500' Bike Race

Rain, rain go away, and come back Thursday.

This was the plea of "Little 500" bicycle race Chairman Frank Fantozzi late Monday as three-day showers threatened to wash out tomorrow's Veterans' Day 200-lapper.

The third annual bike race, sponsored by Allen Hall, will begin at 12:30 p.m. tomorrow on the south campus track if weather permits and the track is dry.

### CHANCES SLIM

However, as of Monday night Director of Intramurals Dr. Dan Unruh said chances of running the 50-mile spectacle were slim. The day track needs nearly two days of sunny weather to dry off, according to Unruh.

Fantozzi will make an announcement today whether or not the race will be run as scheduled.

Red Horde has the pole position. It was the fastest qualifier with a record lap time of 2:40.8 seconds.

Desimone's Bike Shop was the second fastest qualifier with a time of 2:41.1, also faster than the time set by last year's winner Sigma Alpha Epsilon.

### EIGHTEEN TEAMS

Eighteen teams are entered in the race.

Steve Pray of Desimone's set the fastest individual lap time in Friday's qualifying runs. He pedaled around the track in 36 seconds, far

## Smoke, Smell Rout Kappa Alpha Thetas

A smelly and explosive awakening was forced upon the women of Kappa Alpha Theta, 171 S. 11th St., when a smoke and stink bomb exploded in their mailbox at 2:10 a.m. Sunday.

The San Jose Fire Department was called by Mrs. J. T. Edwards, sorority housemother, because it appeared to her there might be a fire. There was none.

The smoke from the bomb was so thick the building had to be evacuated until the smoke and smell cleared.

## Mandel Series Continues Today

A lecture series on "The Soviet Union Today" will be continued today by William Mandel at 3:15 p.m. in S164.

Mandel, who lives in Berkeley, has studied the USSR for 25 years and has written three books and published several articles on the Soviet Union.

Today's lecture will be the fifth in a series of 11 which are being sponsored by Toward an Active Student Community (TASC). TASC has made it a policy to bring speakers to campus who represent a variety of opinions of national and worldwide interest.

SAN JOSE STATE COLLEGE

Vol. 52

SAN JOSE, CALIFORNIA, TUESDAY, NOVEMBER 10, 1964

No. 35

## SJS Professor Elected To Education Board

Dr. William G. Sweeney, SJS dean of the Division of Education, was elected to the board of directors of the California Council on the Education of Teachers, at a recent meeting of the council, at Yosemite, Calif. Dr. Sweeney was

made chairman of the coordinating committee for the seven regional branches of the council.

Accompanying Dr. Sweeney to the conference were Dr. William S. Wagner, associate professor of elementary education and state president of the California Association for Student Teaching (CAST); Dr. Alice Scofield, professor of secondary education and

## Zionists Plan Social Speech Tomorrow

"Black Jews in America" will be the discussion topic for the Student Zionist Organization (SZO) meeting in Newman Center, 59 S. Fifth St., at 8 tomorrow night.

Joel Brooks, West Coast Director of SZO, will be the speaker. He will base his talk on work and research done in the field of the Negro Jews in America, Miss Jean Zeidler, president of the organization, related.

Brooks, a native of New York City, is a former program director of Herzl Institute of Education in that city. The lecture will be accompanied by slides, dealing with the subject matter in New York and Chicago.

William Levine, national director of SZO will be the guest of honor.

Miss Zeidler noted, "The mainstream of college and university students in America is presently concerned with social action, as regards many issues now facing the United States. The SZO feels that the problem of the black Jew in America is a facet of this social action, and is worthy of full attention by the campus community and the community at large."

The SZO is a college organization that attempts to bring a clear and positive understanding of Israel, and current Jewish affairs, to the American and Canadian campus community, according to Miss Zeidler.

## Putney To Speak On Econ Crisis

"The Coming Economic Crisis: A Sociologist's Point of View" will be discussed Thursday evening at 7:30 by Dr. Snell Putney, assistant professor of sociology, in ED414.

Dr. Putney will be sponsored by the Student Economics Association (SEA).

"An informal discussion and challenge period will follow a brief presentation of Dr. Putney's thesis," said Peter Konijn, SEA president.

Konijn invites all interested students to attend and contribute to the discussion.

DR. WILLIAM SWEENEY  
... elected to board

English and president of the California Teachers of English; Dr. Eva Washington, associate professor of education representing the California Teachers' Association (CTA), and Dr. Lowell G. Keith, head of the Department of Elementary Education, who attended the council meeting in place of Dr. John W. Gilbaugh, dean of the college, who was called away to a special meeting on curriculum at the Office of the Chancellor of California State Colleges.

## Free Tutoring In Economics Each Tuesday

Students having problems with basic economics courses may get free tutoring every Tuesday afternoon from 2:30 to 4:30 in CH162.

The tutoring program is a service of the Student Economics Association (SEA), a student group on campus for economics majors.

According to SEA president Peter Konijn, "All students having problems in basic economics courses may seek advice and assistance from upper division and graduate students majoring in economics" at the Tuesday afternoon sessions. SEA charges nothing for the service.

Begun last semester, the program has been very successful, said Konijn. "Grades improve, there's no doubt about it," he declared.

Konijn encourages all students having problems in their basic economics courses to come in for help.

## Nameplate Contest Offers \$25 Prize

A \$25 prize will be awarded the winning design in a current competition to change the Spartan Daily nameplate.

Judges will be Ernest Nilsen, San Jose Mercury art director; Jack Wilson, free-lance commercial artist; and Dr. Dwight Bentel, head of the SJS department of journalism and advertising.

The contest will end at 4:30 Thursday afternoon, Nov. 19. Judging will take place the following day.

Entries should be as large as possible in the proportion of six units (wide) to one unit (high). They should be in black India ink on white illustration board and may be submitted to the Spartan Daily editor, J208, between 1:30 and 4:30 p.m. Monday through Friday.

## Pisano Vetoes Blazer Idea, Lauds Council's Stated Aims

By SCOTT MOORE

A big, red veto was stamped onto Student Council's blazer legislation by Bob Pisano, ASB president, yesterday afternoon.

At the same time Pisano emphasized that the council's stated aim in its blazer legislation is "certainly laudable."

He quashed a council decision made last Wednesday to spend \$500 on blazers for representatives and executive officers.

The council legislation was for purposes of "maintaining communications with the student body."

A two-thirds vote of council will be necessary to override Pisano's veto. If 12 of the 18 representatives vote to break the veto, then the blazer legislation will stand untouched.

### VOTE CHANGES

Originally the council voted 10-4-2 in favor of blazers. Since then, some representatives have changed to a negative position on the issue. Two members who did not vote originally also have taken a dissenting stand.

Pisano expects to present his veto message to the council this afternoon. It is meeting today because of tomorrow's Veterans' Day holiday.

Pisano gives two reasons in his message for not approving the legislation.

Council can justify spending money on itself only in cases of "proprietary or compensating" functions.

Proprietary functions are described as secretarial help, mimeographed materials and other items necessary to carry out ASB business.

Compensating functions, Pisano said, are year-end awards which council is justified in presenting to "those of its membership that it deems worthy."

"Blazers, do not, in my opinion, qualify under either of these categories," he declared.

BETTER COMMUNICATION? Pisano's second reason for vetoing the issue is his belief that blazers do not accomplish council's

aim "to bring about better communication."

Despite his veto, Pisano described council's stated aim as "laudable." He suggested three alternative means council might use to accomplish its purposes.

More council public hearing meetings could be held in the Cafeteria or Concert Hall, he suggested.

Some type of "informal coffee hour" for representatives and students also could be useful.

Finally, the chief executive advised council members to arrange more speaking engagements with living centers.

The entire blazer incident, Pisano said, should be used as an "educational device."

In the future, he explained, council "ought to be more deliberate in its actions and postpone issues if it feels it doesn't have enough student opinion."

Students, he also cautioned, "should become more expressive in their opinions" as the council deliberates on pending legislation.

In his veto message, Pisano concluded by "thanking the Spartan Daily and those members of the student body who have publicly and actively expressed their opinions on this issue."

IT DOESN'T REALLY HURT to give blood as the Campus Blood Drive Committee demonstrates. Mike McMahan, co-chairman of the drive is held in place to give his pint. Standing left to right are Wendy Wolff, Sigma Kappa sorority representative; Bill Nicholav, AFROTIC co-chairman; Louise Camozzi, commander of Angel Flight; Al Massoni, ASB community service chairman. The Blood Drive is sponsored by the Air Force ROTC and Sigma Kappa sorority.

## Campus To Give Life's Gift; Blood Drive Starts Today

SJS semesterly Blood Drive will be held today at the Catholic Women's Center, 195 E. San Fernando St., from 9:30 a.m. to 4:30 p.m., a combined drive seeking donors from students, faculty and staff.

Student Campus Blood Drive Committee members are Mike McMahan, Bill Nicholav, Al Massoni, Louise Camozzi, Wendy Wolff. Co-sponsoring the Blood Drive is Air Force ROTC and Sigma Kappa sor-

ority, with McMahan, Nicholav and Miss Wolff co-chairmen of the drive.

The faculty and staff are also asked to donate blood at the same time and place. The faculty and staff have a separate blood bank on campus. Victor C. Jansen, chief engineer of buildings and grounds, is in charge of the faculty's blood drive.

The Red Cross asks donors to eat no fatty foods three hours before giving blood.

The SJS student Blood Bank permits Associated Student Body members or anyone in their immediate family to draw blood against the account. Students may receive blood without donating by getting in touch with Miss Martha Allshouse, campus activities adviser, activities office, 294-6414, ext. 2231.

Trophies will be given for the highest percentage of donors among fraternal organizations, non-fraternal groups, sororities and dormitories McMahan said.

## Indian Students Join in Festival

Indian students of SJS will celebrate for the first time the festival of Diwali (Festival of Lights).

The festival will take place on Saturday at 6 p.m. at Grace Baptist Church, 484 E. San Fernando St., San Jose.

The program will consist of Indian folk dances, songs and documentary films on India. Sari-clad Indian coeds will cook a special Indian dinner.

The tickets are now available at the Student business affairs office for \$1.25 for student and \$2 for general admission.

CARRIED AWAY—A gal just can't help it when she discovers that Wednesday is a legal holiday, Veterans' Day. Regaining her composure and lipstick is Pat Bryant, physical education major from Palos Verdes. The calendar? It didn't feel a thing. In honor of Veterans' Day the library will be closed tomorrow and there will be no book talk, classic film, co-rec or Spartan Daily. The paper will resume publication Thursday.

## World Wire

### SOVIETS STEER TOWARD SHOWDOWN IN U.N.

UNITED NATIONS, N.Y. (UPI)—The U.N. financial crisis deepened yesterday with Russia and the United States standing firm in positions headed for a political showdown at the Dec. 1 General Assembly opening.

The Soviet Union and the United Nations disclosed that Russia had filed a new note with Secretary General Thant refusing to make any payment toward the \$52.6 million it owes for peace keeping operations in the Congo and the Middle East.

### NEW PREMIER TAKES REINS IN JAPAN

TOKYO (UPI)—Pro Western Eisaku Sato was elected prime minister of Japan by Parliament yesterday to succeed the ailing Hayato Ikeda. He was handpicked by Ikeda in a dramatic bedside conference that broke a political deadlock.

Sato announced he will retain the entire cabinet that served under Ikeda. The government lineup will include Ichiro Kono, Sato's chief rival in the two-week struggle for the premiership. Kono will serve as minister without portfolio for the time being.

### SUPREME COURT TO EXAMINE UNION LAW

WASHINGTON (UPI)—The Supreme Court agreed to examine the constitutionality of the law which bars Communist party members from serving as union officials today.

The 9th U.S. Circuit Court of Appeals had struck down the law in a case involving Local 10 of the International Longshoremen's and Warehousemen's Union in San Francisco.

The test stemmed from the indictment and conviction of Archie Brown, who was charged with serving simultaneously as a party member and as a member of Local 10's executive board.

## Empty Galleries Should Share Blazer Blooper Blame

Editor's Note: Today's guest editorial was aired last Friday on KJSJ-FM and Spartan Spectrum on KXRX. It was written by Michael Neufeld, student council reporter for the radio staff.

Last week student council voted to buy blazers and crests at a cost not to exceed \$500. The council's reason: to maintain communications with the student body. Many students were upset over the decision to purchase the blazers.

We're not saying council was wrong or that they were right. We feel that council members did what they felt was right.

If students would pay more attention to council issues, then council members could vote "right." Whatever that means.

We recommend that students play a more active role in student government, that they take sides on all the issues, and keep their representatives informed of their wishes. Students should attend council sessions and exercise their right to be heard.

Each meeting, members of the gallery are invited to speak for five minutes on any subject. Many times there have been no oral communications. Students have a right to complain about council decisions, but they have a responsibility to play a role in making that decision.

—M.N.

## Cuban Forces Believed in Control Of Russian Anti-Aircraft Missiles

WASHINGTON (UPI) — The State Department said Monday it believes the Cuban armed forces have probably assumed control of Russian anti-aircraft missiles stationed in Cuba.

State Department officials left unclear, however, the question whether there was a Soviet-Cuban agreement limiting their use or giving the Russians an outright veto over firing them.

The State Department also said that now, two years after the October, 1961, Cuban missile crisis, Russia appears to have reduced its military presence in Cuba to a "few thousand" Soviet military advisers and technicians.

Cuban Premier Fidel Castro said in an interview with the New York Times published Sunday that the Russian anti-aircraft missiles "are now under Cuban control."

## Contingent Defends Daily's Atheist Ad

Editor:

On Monday of this week a Mr. Alan Brainerd and a Mr. Gregory Gibbs showed their religious intolerance by complaining of the Atheist advertisement in the Spartan Daily. Their letter asserted that the printing of such an advertisement was not in good taste. It is a matter of some concern to us that these gentlemen who are so preoccupied with matters of taste have never complained about the advertisement run by the Contemporary Christians on Campus. They apparently feel that this advertisement which is an insult to the intelligence and reasoning power of any self-respecting college student, is in perfect accord with good taste.

The reason for printing the atheistic advertisement is quite obvious. We have decided to tell the Christian world that we are tired of being dominated by archaic, anti-intellectual superstition. We are constantly annoyed by the self-righteous Christianity which has permeated all facets of American life. In effect we feel that our constitutional rights must be asserted in this way or they do not exist.

We congratulate the Spartan Daily in its recognition of the fact that constitutional rights are seriously imperiled if a minority, opposition view is censored.

## Foreign Student Activities Lauded

Editor:

As a new student at San Jose State, I am greatly impressed with the activities directed to or presented by the foreign students on campus. The importance of these activities cannot be stressed too greatly. The collective effect of all international student programs on American campuses is, I feel, as important to world peace and understanding as the Peace Corps. Since most of us cannot become members of the Peace Corps for one reason or the other, we can and must become personally involved in foreign relations by supporting these international student functions. All too often the image which the United States projects abroad has been wrongly interpreted and confused due to a lack of personal contact. There is an equal misunderstanding of foreign countries among Americans.

This, in part, is a result of the American student's view of the international student functions as a melange of foreigners in which it is difficult to learn about a particular country or culture. An attempt is now under way by the Indian students at SJS to present their culture in a concentrated and efficient manner. These students have planned well and will hold their

## Thrust and Parry

its significance. Mr. Reeb seems to think that Goldwater's 26 million votes indicates his wide popularity. If Mr. Reeb believes that the votes of the racist states, the extremist group, e.g. John Birch Society, and the "idiot" vote (those who get nostalgic over Barry's simple solutions) are important—then I can see his point.

However, unlike Mr. Reeb, I believe that the election was more a repudiation of Goldwater and his principles (whatever they were) as evidenced by several facts:

1. The only states he carried, besides Arizona, are five racist states where the educational system is weak and prejudice and fear great.

2. The Democratic gains in the House (37 seats) and senate.

3. George Romney and Hugh Scott's victories (anti-Goldwater Republicans.)

4. The hostilities of many women (and some "moral" men) to Pres. Johnson's undeniable connections with Bobby Baker and Walter Jenkins.

5. President Johnson received the highest percentage of popular votes in U.S. history.

The significance of the election (was and is) Goldwater's threat to the end of the two-party system. Goldwater was used by extremist groups. As a result, there is a much greater Democratic gain in Congress.

first program this Saturday. This is in conjunction with the celebration of the Indian New Year, Diwali—the festival of lights.

This idea of a specialized program is commendable for it exposes American students to other ideas and social customs.

## Tireless and Unchanged

"I am the Alpha and the Omega, says the Lord God, Who is, and Who was, and Who is to come, the Almighty." (Revelation 1:8).

It is not God who changes, but man whose distortions of God seem to always be putting Him in a "new perspective." The way some modern theologians talk about God, it is difficult to tell if He is supposed to be a life-force, the ground of our being, a benevolent, kindly helping hand who cooperates with men when they ask Him to, or what have you. Many people look to scholarly, but often blind, religious leaders. Hoping to find light for "modern" man, they ignore the Light of the world, the eternally begotten Son of God the Father who is "... the only Sovereign, the King of kings and Lord of lords, who alone has immortality and dwells in unapproachable light ..." (1 Timothy 6:16).

A personal meeting with Jesus Christ is the beginning of a true relationship with God. The Word of God says: "There is one mediator between God and men, the man Christ Jesus, who gave Himself a ransom for all." (1 Timothy 2:5,6). "There are no human go-betweens, no earthly mediators necessary in order for you to discover for yourself what God is like, for the moment you meet Him you not only become His own, but also henceforth are a priest in the household of God." (1 Peter 2:4-6). It is when you settle your account with God the Father, by personally meeting as your Lord, Jesus the Son of God, that in the depths of your heart you'll find a personal Friend and Comforter, God the Holy Spirit. "For all who are led by the Spirit of God are sons of God. For you did not receive the spirit of slavery to fall back into fear, but you have received the spirit of sonship. When we cry, 'Abba! Father!' it is the Spirit Himself bearing witness with our spirit that we are the children of God, and if children, then heirs, joint heirs with Christ ... anyone who does have the Spirit of Christ is none of His." (Romans 8:14-16,9).

God has not changed or evolved since time began. Men throughout the ages have known and walked with the True God who made us. Do you know, are you sure of your relationship to the Source of Life whose grandeur and greatness awake the highest praise human tongues can express? On the lonely isle of Patmos in the Mediterranean the aged Apostle John wrote these words describing what he saw of God His Creator, of Christ His Redeemer and Lord: "I was in the Spirit on the Lord's day, and heard behind me a voice, as of a trumpet, saying, 'I am Alpha and Omega, the first and the last; and I turned to see the voice that spake to me, and being turned I saw seven golden candlesticks; and in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle. His head and His hairs were white like wool, as white as snow; and His eyes were as a flame of fire; and His feet like unto fine brass, as if they burned in a furnace; and His voice as the sound of many waters. And He had in His right hand seven stars; and out of His mouth went a sharp two-edged sword: and His countenance was as the sun shineth in His strength. And when I saw Him I fell at His feet as dead. And He laid His right hand upon me, saying unto me, 'Fear not; I am the first and the last: I am He that liveth, and was dead; and behold I am alive forever more, Amen; and have the keys of hell and death.'" (Revelation 1:10-18).

Jesus Christ, "the same yesterday, today, and forever," (Hebrews 13:8) stands ready today to make you His forever. Won't you acknowledge Him as Lord today?

## SAE Meets DU

### Phi Sigs vs. ATO Today

SAE and Phi Sigma Kappa need wins today to set the stage for Thursday's championship battle.

If the Phi Sigs (9-0-1) beat ATO (8-2) and SAE (9-0-1) downs Delta Upsilon (7-3) the two league-leaders will go into the

last game of the football season with identical records.

The Phi Sigs appear to have the stiffest battle when they take on the ever-improving Tau's.

SAE will meet a DU team which has dropped its last two games, one in the last seconds of play to the Phi Sigs last Thursday.

In other games Lambda Chi Alpha takes on DSP, Theta Chi tangles with Theta Xi, Sigma Nu tackles the Sig Eps and PIKA faces Sigma Pi.

## Spartababe Gridders Play Colts

San Jose State's injury-riddled Spartababes face Santa Clara University's yearlings tomorrow night at Buck Shaw Stadium at 8 o'clock.

Coach John Webb hopes to find replacements for his offensive and defensive lines, weakened by injuries to many key players.

Webb lost tackles Dave Evans and Bob Hansen possibly for the rest of the season in Friday night's 13-6 loss to University of California's frosh at Spartan Stadium.

The Spartababes (4-2) put on a spirited performance against the Bearcubs (4-0-1) but threw four interceptions to blow a number of scoring opportunities.

Quarterback Bob Toledo completed 17 of 32 passes for 212 yards in the loss. He passed four yards to end Paul Hatling for San Jose's only score.

Evans, a 6-6, 275-pounder, and Hansen join Dale Mowreader and other linemen, already out for the season on the sidelines.

"The whole team gave an outstanding effort," said Webb after the loss. "We have a lot of boys that will help the varsity next year," he added.

The Spartababes, who gave Cal's "best ever" club its hardest battle of the year, now face the task of beating a fine SCU Colt team.

The Colts are undefeated this season holding an 8-0 win over San Francisco State, whom the Spartababes downed 22-15.

### No Friends Anywhere . . . by Sullivan

### SJS Poloists Swamp Cal; Dunk Alumni

Sophomore Jack Likins, who scored three goals in the opening minutes of play in the Spartans' 16-8 victory over the alumni Friday, duplicated the feat in a 15-4 conquest of the University of California at Berkeley Saturday.

Likins' total of 11 goals in two games was the best individual Spartan scoring production of the season.

The Spartans led 3-1 in the first quarter when Gary Read faked his patented backhand shot, pivoted, faked another shot, and scored an easy goal.

Seconds later, Read stole the ball, and faked a hard shot at the lower corner of the cage. When the goalie dove for the corner, Read calmly lobbed the ball over his head.

The Spartans let 6-1 at the end of the first quarter and were never threatened. All-American Jim Monsees of the alumni was high scorer with six goals.

Spartan Coach Lee Walton was ecstatic concerning the performance of Kevin Currlin, who contributed several key defensive gems and Chuck Cadigan in the Cal game.

The moment Cadigan touched the ball, he scored a left-handed bullet shot. The ball was thrown so forcefully that the cage shook for several seconds afterwards.

Sheldon Harmatz, who led the nine goal fourth quarter onslaught, was also outstanding defensively. Bill Parker and Mike Hansen, defensive stars all season, intercepted 10 passes between them.

Goalies Bruce Hobbs and Gary Fitschen were impregnable walls in front of the scoring cage.

The Spartans will travel to Stanford tomorrow and Friday, and return to the Cal Pool Saturday for the Northern California Water Polo Tournament.

#### LUCKY

NEW YORK (UPI)—Jockey Tony Despirito has had four near-fatal spills.

### San Jose Judoists Star in Tourney

San Jose State's judo team swept first places in the black belt division and took two other firsts in the Palo Alto Invitational Sunday.

It was the opening match of the year for the three-time NCAA defending champions. No scoring was used in the tournament.

Spartan Shirpei Nishikawa garnered a first in the white belt division, and Gene Zimmerman took a first in the brown belt class.

Bob Philley, Jim Pennington and Jack Carr swept firsts in the black belt division.

San Jose will put on a Promotional Tournament at SJS Saturday night at 6.

## Misuse of Power

When the Sherman Anti-Trust Law was passed in 1890 it was intended to protect the American people from the monopolistic power of big corporations. Had Congress visualized the monopolistic power that labor unions have today they would certainly have built into the law another set of safeguards.

Some years ago, speaking to employees, I said: "The worst thing that could happen to America would be the destruction of labor unions and the next worst thing would be to have a universal closed union shop." Today I would reverse the order of importance.

ERNEST G. LURGERT  
Chairman of the Board

World's leading line of power controlled tractor winches for logging and construction.

When Mike Pyle  
goes skiing...

## 'Chap Stick' goes along!

"Any guy who spends as much time outdoors as I do really needs 'Chap Stick,'" says the Chicago Bears' star center. "For me, it's a necessity. What with the real raw Sundays on the field, hot

summer practice, and winter skiing off-season, my lips used to get weatherbeaten twelve months a year. But a couple of swipes with 'Chap Stick' and my lips feel great—it helps heal them fast!"

A favorite  
in Canada.

The lip balm selected  
for use by the  
U.S. Olympic Team.

DON'T LET DRY, SORE LIPS SPOIL YOUR FUN—WHEREVER YOU GO, GO WITH 'CHAP STICK'

'CHAP STICK' IS REG. TM ©1964 MORTON MFG. CORP., LYNDHURST, VA.

They're out of turn in their
